

# STUDIO AMARO

The image shows a sophisticated, dimly lit interior space, likely a restaurant or bar. The walls are covered in vertical wood paneling. A long, dark bar runs along the right side, with several high-top stools tucked under it. The bar is illuminated from below, creating a warm glow. In the foreground, there are several more high-top stools around a small table. A large, perforated metal pillar stands on the left side of the frame. The ceiling is dark with recessed lighting. The overall atmosphere is intimate and modern.
